Descriptive Writing: Picture Prompt #2

Imagine that the picture shows the first scene in a story. Write a paragraph describing the scene. Be sure to use sensory words, including nouns, adjectives, and adverbs, to make the scene come to life. Here are some questions to guide you:

- If you were in this scene, what would you be able to see, hear, or feel?
- When and where does this picture take place?
- What might be happening just before or after this picture?

Write your response on the lines.
