Sentence Makeover

Part 2

Read the short paragraph below aloud and pay attention to the sentence structure. You will notice it sounds very choppy. Give the paragraph a makeover by creating smooth, flowing sentences. Think about where you can combine sentences with conjunctions and adverb phrases. If you want, finish the story on another piece of paper.

Superheroes go through a training period. They have to expect the unexpected. That's what Lucas learned. It was his first day of training. He was with his superhero mentor, Hatman. They were tracking down Hatman's nemesis, the Mathemagician. The Mathemagician had left behind a series of clues for them to decipher. Lucas wanted to find some clues. Lucas stared nervously. He looked at a line of numbers written on the wall. He also looked at the symbols written on the wall.

Make it over!
