Can you help the leprechaun find his way to the pot of gold?

START

END

St. Patrick's Day Addition

Add the St. Patrick's Day items below. How many are there? Write the total in the box.

Help the Leprechaun!

Start!

Which color of the rainbow will take him to his pot of gold?
Color the rainbow to find out!

St. Patrick's Day Addition

Add the St. Patrick's Day items below. How many are there? Write the total in the box.

8 horseshoes + 6 horseshoes =

2 leprechaun heads + 1 leprechaun head =

10 gold coins + 4 gold coins =

6 shamrocks + 5 shamrocks =

St. Patrick's Day Subtraction

Count the St. Patrick's Day items below. Then cross out the number of items to subtract them. How many are there? Write the total in the box.

$$5 - 4 =$$

$$8 - 5 =$$

$$2 - 1 =$$

$$4 - 2 =$$

St. Patrick's Day Count and Write

Numbers One through Five

Count the shamrocks in each square and write the number next to it.

Four

St. Patrick's Day Subtraction

Count the St. Patrick's Day items below. Then cross out the number of items to subtract them. How many are there? Write the total in the box.

$$6 - 1 = \boxed{\quad}$$

$$4 - 3 = \boxed{\quad}$$

$$5 - 2 = \boxed{\quad}$$

$$7 - 4 = \boxed{\quad}$$

St. Patrick's Day Count and Write

Numbers Six through Ten

Count the leaves in each square and write the number next to it.

Eight

St. Patrick's Day Subtraction

Count the St. Patrick's Day items below. Then cross out the number of items to subtract them. How many are there? Write the total in the box.

$$9 - 4 =$$

$$10 - 8 =$$

$$6 - 5 =$$

$$8 - 3 =$$

Help me get me gold back in me pot!

fold →

- Directions
1. Have children color page
 2. Cut out the hole for the opening in the pot of gold
 3. Fold paper along line close to the bottom
 4. Tape top of paper to wall and bottom of paper to floor
- To play game**, have children stand a few feet back and give them 30 seconds to see how many pennies or other coins they can toss through the hole.

POTS OF GOLD

To make your pots of gold, begin by cutting around the edges. Then fold at the dotted line and use staples to connect both sides.

POTS OF GOLD
