Certificate of Completion

Have a grown-up help you with the die and game pieces. The die is on the next page.

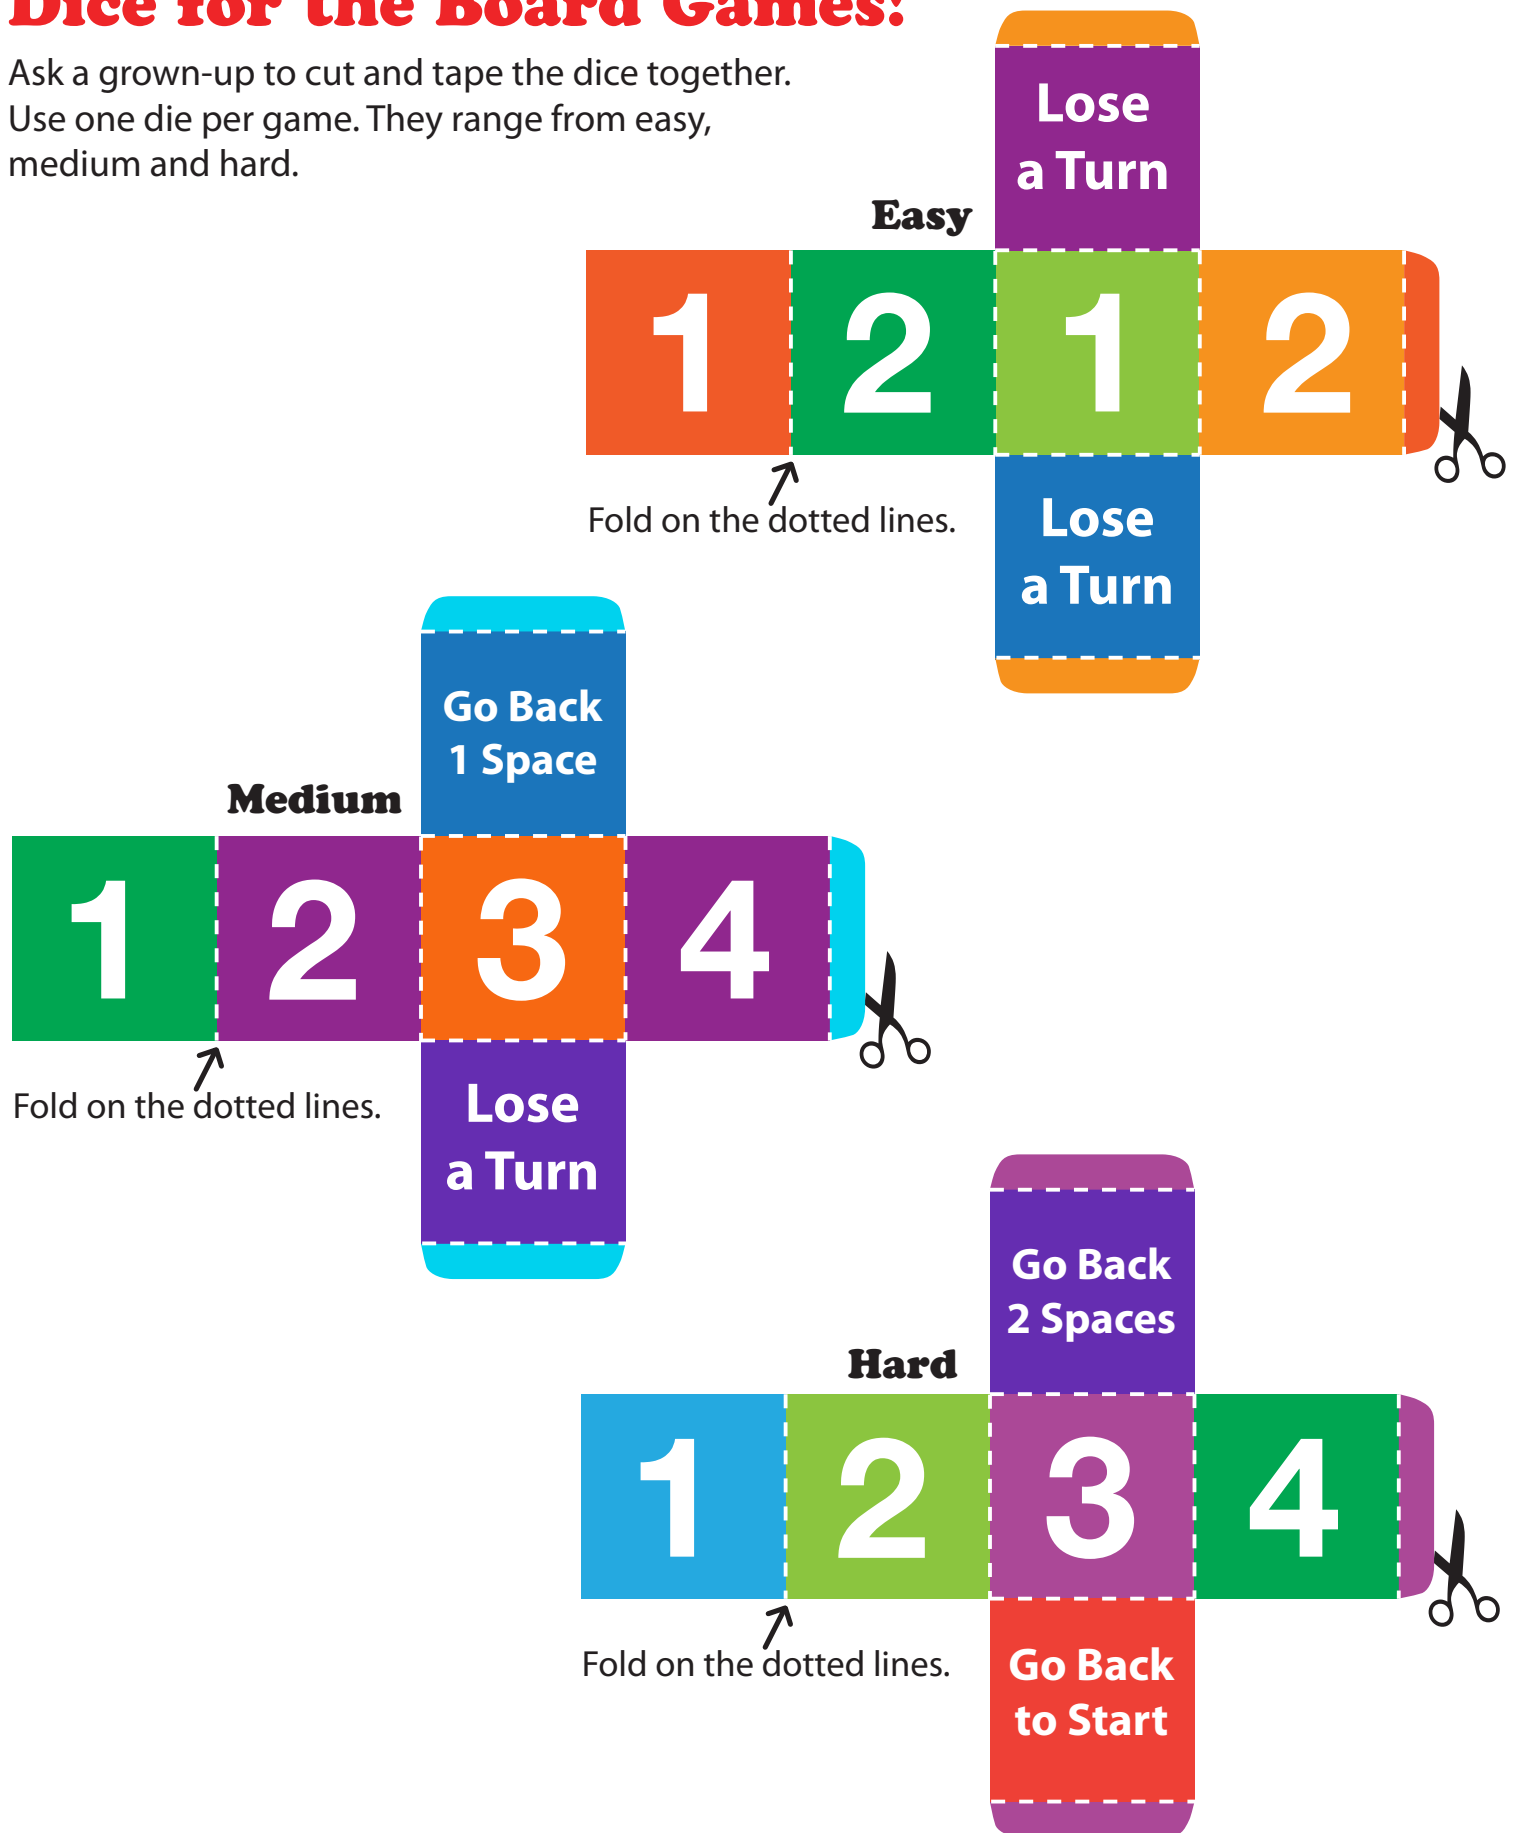

Toss the die, then move your penny bird across the clouds to the finish!

Cut out the pieces and tape a penny onto them to make birds for the game!

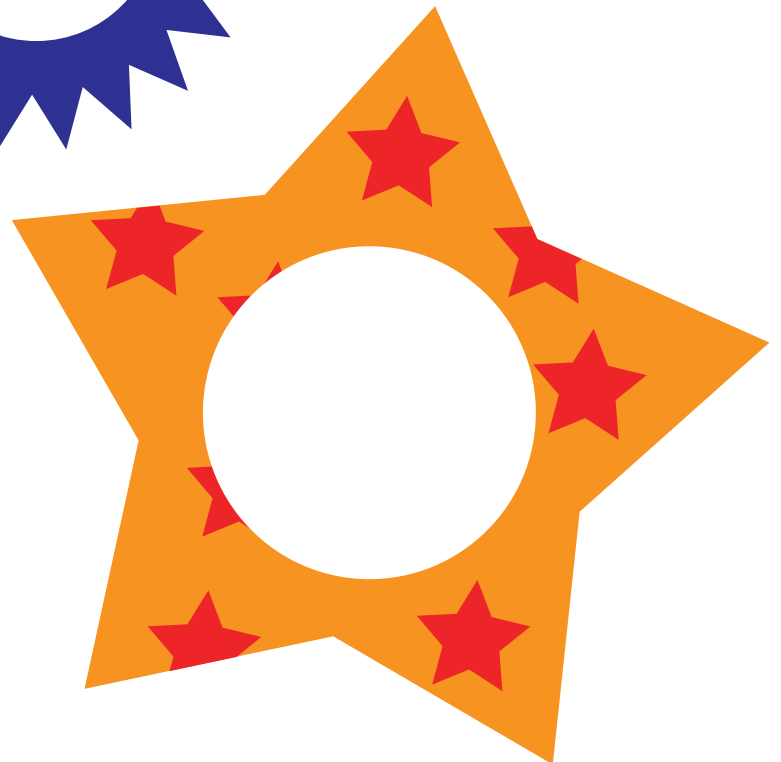

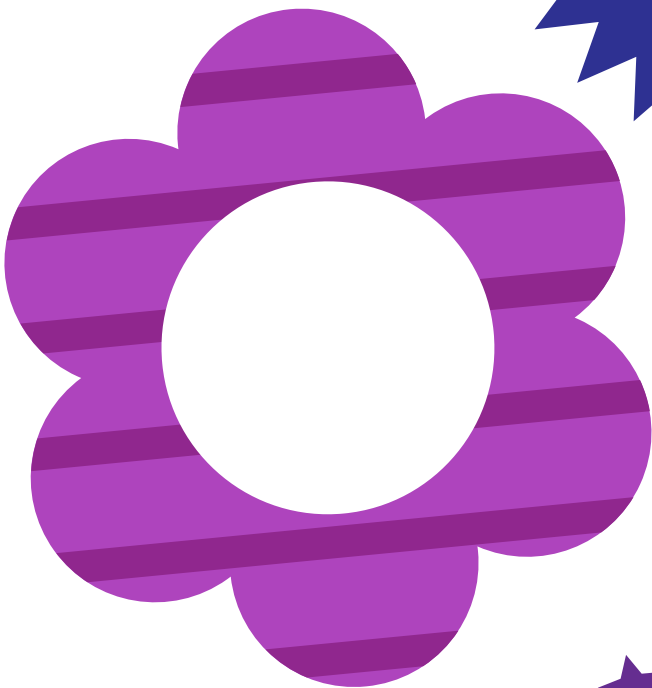

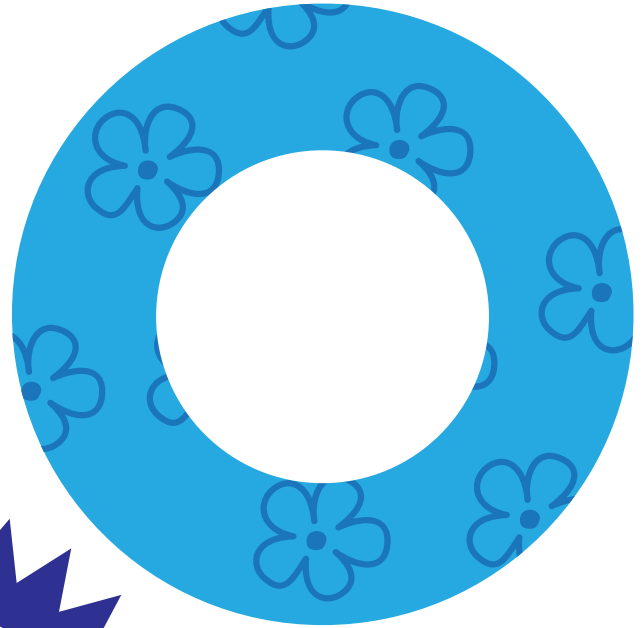

Dice for the Board Games!

Ask a grown-up to cut and tape the dice together. Use one die per game. They range from easy, medium and hard.

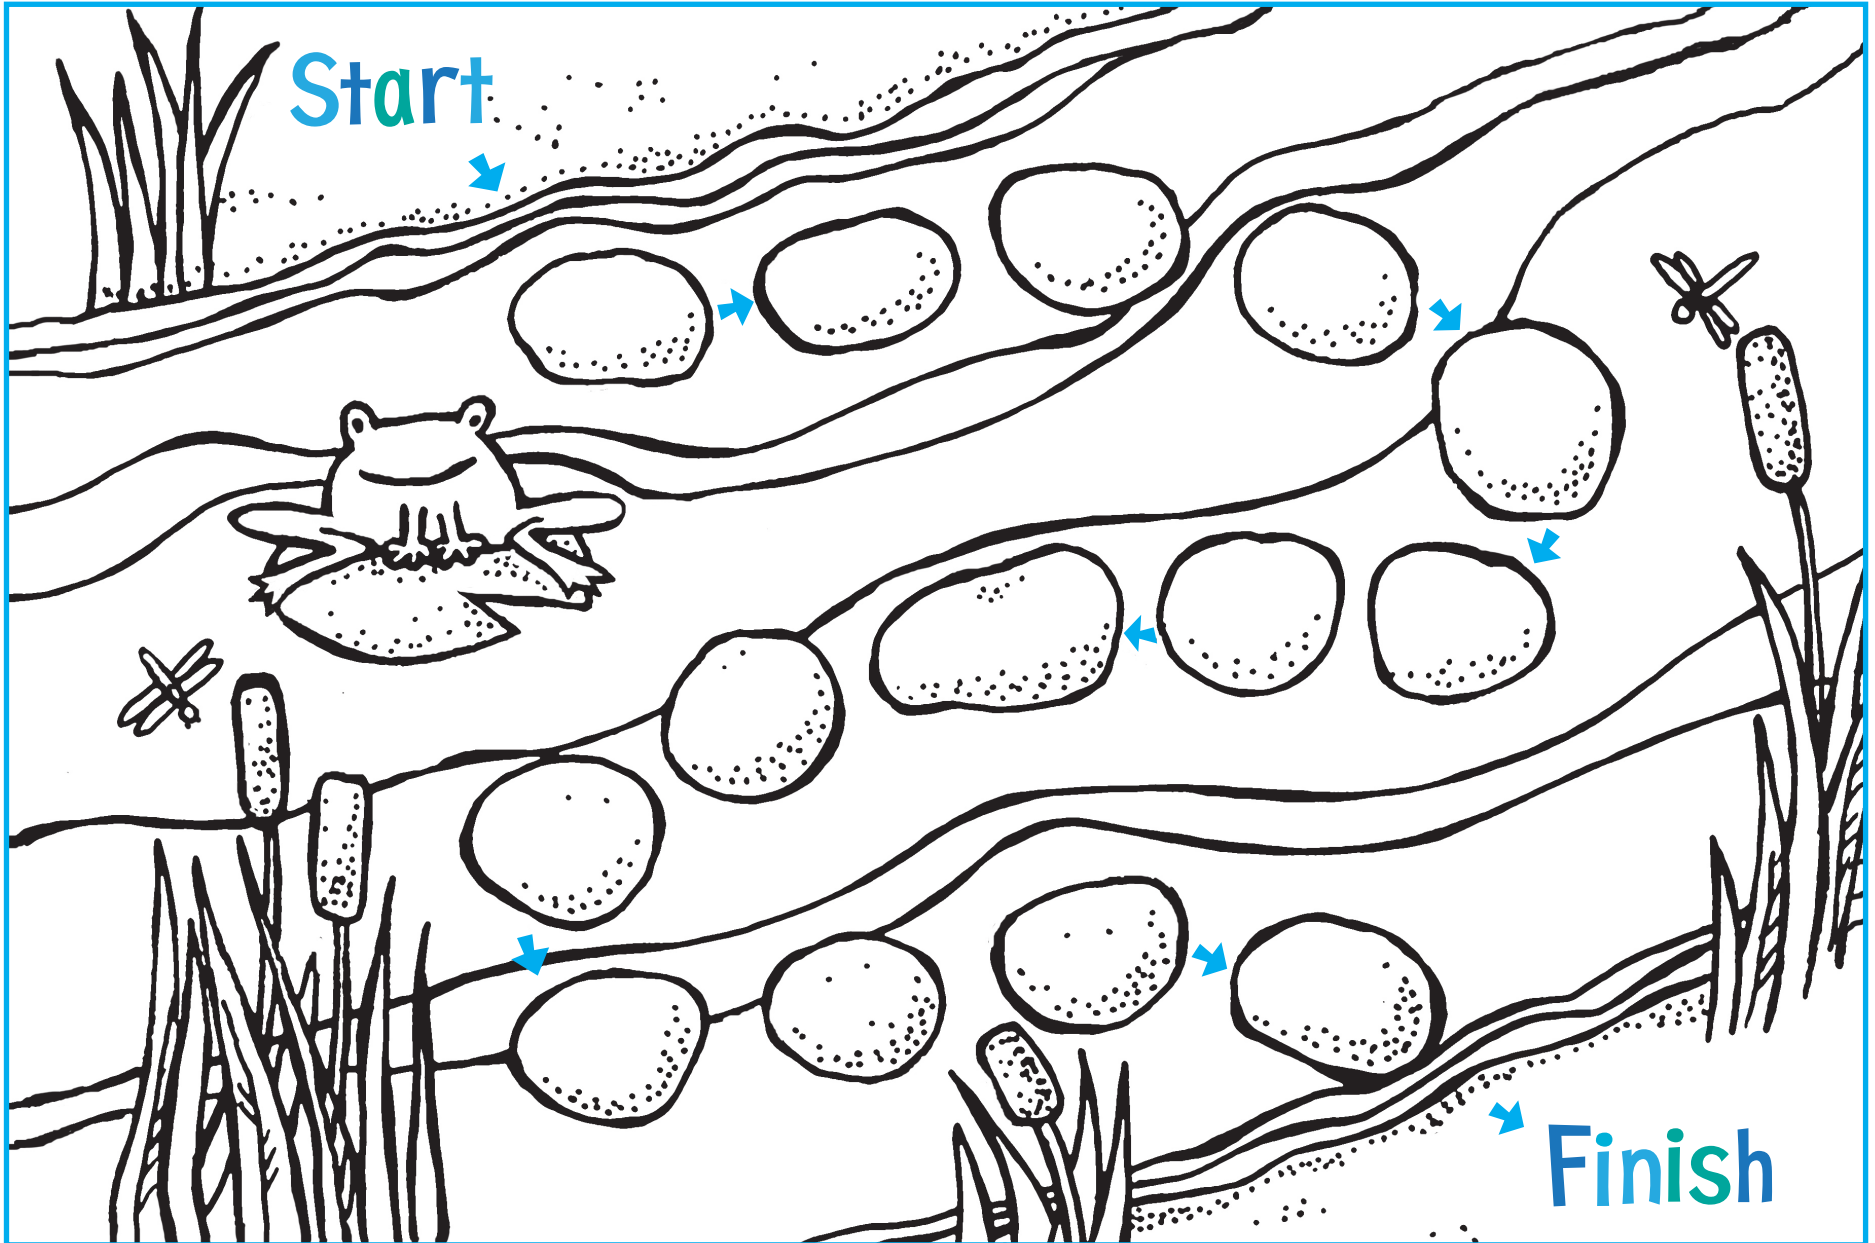

Coin Toss

Each player takes a turn and tosses 5 pennies onto the board, and then counts all the ones that made it into part or all of the white circle. Players get 1 point for each score and a double point for a penny landing in the star in the middle. The player with the most points after 3 rounds wins!

Cross the River

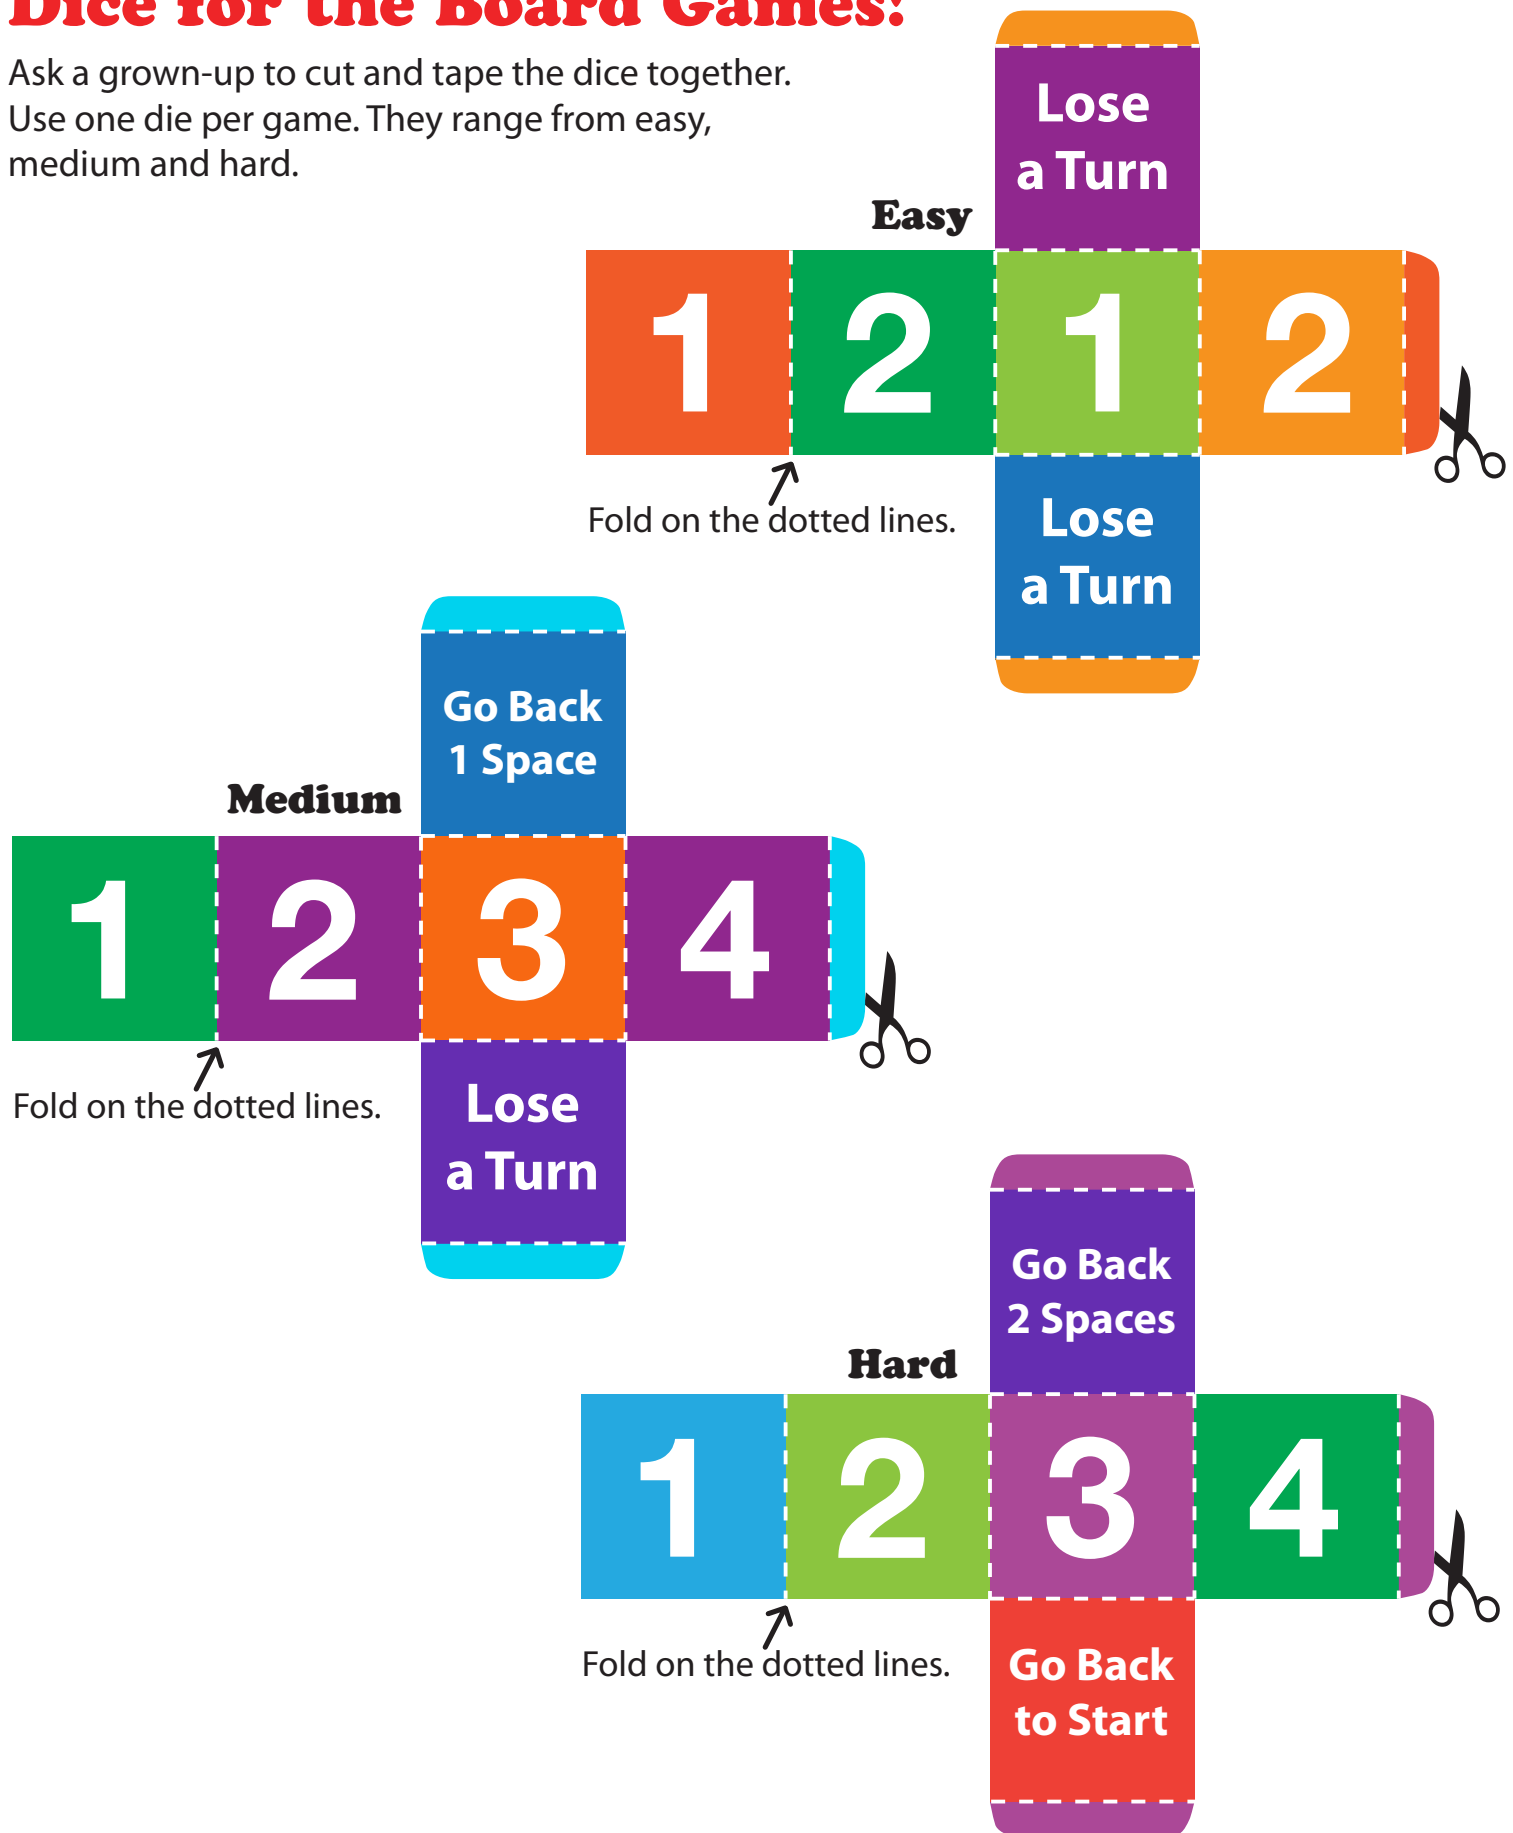

Use coins as playing pieces. Have a grown-up cut out and put together one of the die from the second page. Toss the die. Move your coin over the rocks and across the river following the arrows. First one to cross the river wins!

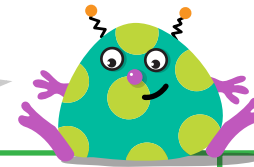

This page can also be used as a coloring page!

Sandwich Stackers!

<p>START HERE</p> <p>Go this way </p>						
	<p>How to Play!</p> <ol style="list-style-type: none"> Place three stacks of the sandwich fixings on the squares marked in the center of the game board. Players roll the die to move their pieces. When they land on a spot, they pick up the same game card from the piles in the center of the board. <i>(If you land on a square and there are no more pieces left for that item, you can choose a card from another pile.)</i> The game is finished when all the game cards have been picked up. Players then stack the cards into individual sandwiches. The one with the most complete sandwiches wins!
