

# More Practice Adding 10s on the 100s Chart

Add 10s by moving straight down the hundreds chart!

Andy picked 43 flowers from the garden.

He bought 40 more flowers from the store.

How many flowers does he have altogether?

$$\underline{43} + \underline{40} = \underline{83}$$

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20

Hope donated 52 books to her classroom.

Courtney donated 40 more books.

How many books did they donate altogether?

$$\underline{52} + \underline{40} = \underline{92}$$

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
