# Adding Up Contractions

Combine each pair of words to make contractions. The first one is done for you.

can + not = __can't__   he + is = __he's__

they + have = __they've__   they + will = __they'll__

it + would = __it'd__   you + have = __you've__

let + us = __let's__   I + would = __I'd__

have + not = __haven't__   should + not = __shouldn't__
