

# Area Viewing

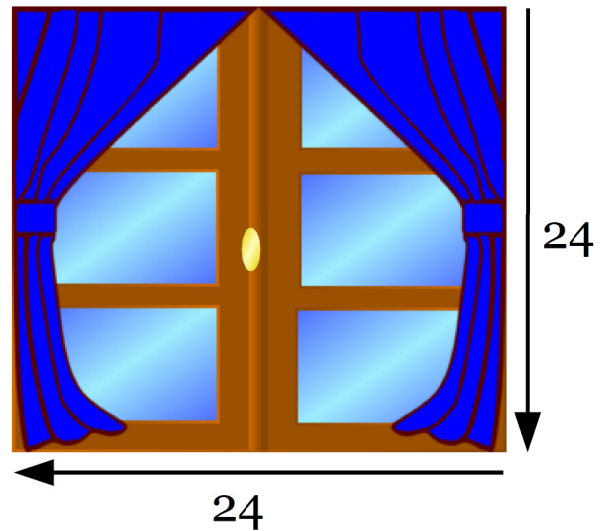

Gaze through the windows and follow your dreams. While you're at it, calculate the area of the windows, too.

Hint:  $a = w \times h$  (Answers)

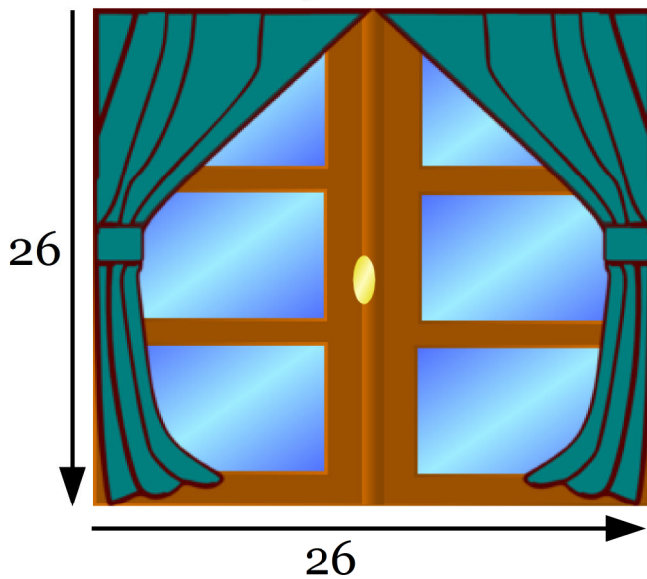

$$a = 20 \times 20 = 400$$

$$a = 24 \times 24 = 576$$

$$a = 26 \times 26 = 676$$

$$a = 14 \times 14 = 196$$
