

Name: _____

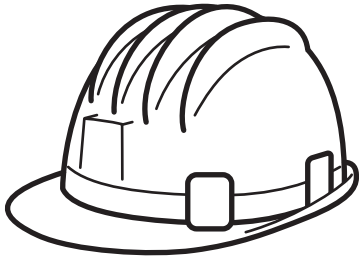

Date: _____

ANSWERS

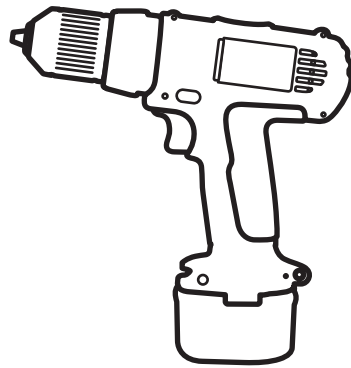

B is for Builder

Builders and construction workers have a very important job! They help to build things in our community like roads, bridges, skyscrapers, and houses. Builders use big machines like diggers and bulldozers to get the job done. They wear hard hats to keep them safe on the job!

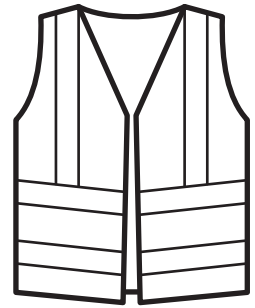

Directions: Color in all of the objects that a builder might use when they are working in the community. Then label each one with the correct name using the word bank at the bottom of the page.

hard hat

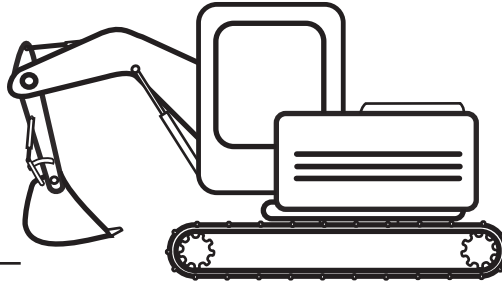

drill

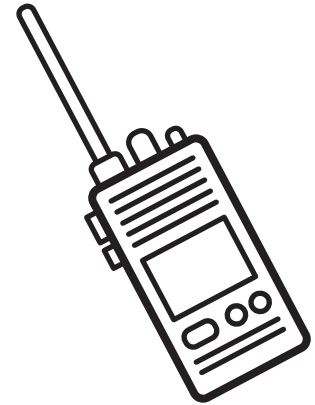

safety vest

boots

digger

walkie-talkie
