

5. LIGHTEN UP!

Millie loves **July**, which has long days and short nights.

6. BIRD BRAINED

These statements are NOT true:

Most birds are cold-blooded. (**All birds are warm-blooded.**)

All birds can fly. (**Some birds, such as ostriches and penguins, cannot fly.**)

All birds build nests. (**Some birds, such as Andean condors and emperor penguins, do not build nests.**)

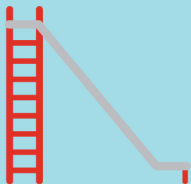

7. MAKING WAVES

8. PLAYGROUND PUZZLER

teeter-totter: lever

slide: inclined plane

zip line: pulley

wagon: wheel and axle
