

Changing the -y Verbs

Name: _____

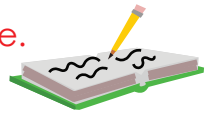

Circle each verb that is used incorrectly and write the correct past tense form of the word. Finish each sentence with your own words.

Rule: If there is a consonant before the "y" replace the "y" with an "i" and add "ed." If there is a vowel before the "y" just add an "ed."

1. Mom **carried** a large bag of **groceries** into our house.

2. The student **worried** because she thought **she had left her homework** at home.

3. Ms. Wilson **copied** the **math problems** on the board.

$$1 \times 7 = 8$$

4. The teacher **identified** the **correct answers** on the test.

5. When the laundry was clean Dad **dried it** on the clothesline.

6. She **studied** for her history test so that she would get an A.

A⁺

7. I **enjoyed going** to the zoo with my family.
