

Coin Challenge: Getting Change Back

Add the value of the coins and write the total amount.
Then, write how much change you will get back.

Tip: Color in the coins that you are spending. The coins that are left will be your change!

1.

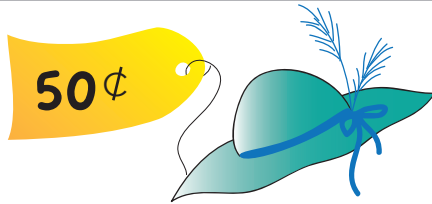

Your total money is 85
How much money is left over? 10

2.

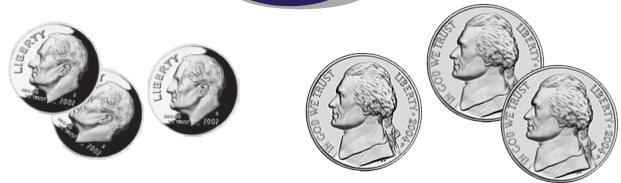

Your total money is 90
How much money is left over? 0

3.
