Sample Answers

1. How is Elias different from Anita?

Elias is different from Anita because his problem is that he procrastinates on his school project. Anita procrastinates on getting up in the morning.

2. How is Elias's problem similar to Anita's problem?

Elias's problem is similar to Anita's problem because they both avoid doing something important. Elias avoids doing his social studies project, while Anita avoids getting up for school in the morning.

3. a. What lesson does Anita learn in Text 2?

Anita learns that she needs to get up in time for school. The lesson she learned is that she has to do things she doesn't like to do sometimes.

b. How is this the same as the lesson Elias learned in Text 1?

Elias also learned that he has to do things he doesn't like to do sometimes.

Both Anita and Elias learned to not wait until the last minute to do important tasks.

4. How are the settings in Text 1 and Text 2 the same?

The settings in Text 1 and Text 2 are the same because both stories take place mostly in the characters' homes.
