# Conjunctions #5

A **conjunction** is a word that joins together words, phrases, or parts of sentences. Some common conjunctions include: **and, or, but, for, nor, yet, so.**

**EXAMPLE:** I like to play baseball, but I also like swimming.

---

**Part 1:** Underline the conjunctions in each sentence below, and add the comma in the correct place.

1. Connie and Helen studied hard, so they earned the highest scores on the test.
2. The mouse ran through the house, but the cat began to chase it.
3. Harry's colorful scarf was his favorite gift, but he lost it on a field trip to the zoo.
4. Kate and Rex had already left, so Tim never found them at the mall.
5. Phaedra could get a building set for her birthday, or she could go ice skating instead.

**Part 2:** Now write your own sentence and circle all the conjunctions. Then draw a picture based upon your sentence.

**Answers will vary, but should include at least one conjunction and correctly placed comma.**
