## ENJOY THE SPRING!

Add the right letters to the words below as you read the article.  
After you use the consonant blends below, color them in!

FL SH BL

GR BR SP

They say that April SHowers bring May flowers, and that saying rings true as this year's SPring readies itself for another beautiful time! Tulips, lilies, and daffodils start sprouting, their GReen grassy stalks and leaves growing under the BRight sunlight. When flowers BLoom, that's when baby animals bounce to life. Spring is always the best of times, filled with FLowers and new life all around.
