

Easter Multiplication #5

Help the Easter Bunny solve the multiplication problems below.

1. $7 \times 3 = \underline{21}$

2. $6 \times 2 = \underline{12}$

3. $1 \times 9 = \underline{9}$

4. $5 \times 5 = \underline{25}$

5. $5 \times 2 = \underline{10}$

6. $8 \times 3 = \underline{24}$

7. $9 \times 2 = \underline{18}$

8. $0 \times 7 = \underline{0}$

9. $4 \times 6 = \underline{24}$

10. $3 \times 3 = \underline{9}$

11. $7 \times 5 = \underline{35}$

12. $2 \times 4 = \underline{8}$

13. $8 \times 4 = \underline{32}$

14. $6 \times 7 = \underline{42}$

15. $5 \times 8 = \underline{40}$

16. $8 \times 8 = \underline{64}$
