

Find the Main Idea: Apples

Find the main idea in the paragraph below. Write the main idea in your own words in the space provided.

Apples grow on trees. There are lots of different kinds of apples. Some apples are sweet and others are sour. Apples can be red, green, yellow, or a mix of colors. Apples can be made into pie, applesauce, or eaten on their own. But no matter what kind, all apples grow on trees.

Main idea:

Apples grow on trees.
