

# Fix the Sentences: Adjective Order

An adjective is a word that describes or tells about a noun. When more than one adjective is used to tell about a noun, the adjectives follow a specific order.

Number or quantity	Opinion	Size	Shape	Age	Color	Origin	Material	Purpose	Noun
--------------------	---------	------	-------	-----	-------	--------	----------	---------	------

**Directions:** Fix the adjective order in each sentence. An example has been done for you.
