

Football Multiplication

#2

Kick off! Time to take the field and score a touchdown for the home team.

Use your multiplication skills to solve the following problems.

$6 \times 4 = \underline{24}$

$7 \times 2 = \underline{14}$

$3 \times 5 = \underline{15}$

$8 \times 1 = \underline{8}$

$3 \times 3 = \underline{9}$

$2 \times 8 = \underline{16}$

$7 \times 3 = \underline{21}$

$4 \times 2 = \underline{8}$

$8 \times 3 = \underline{24}$

$4 \times 5 = \underline{20}$

$6 \times 2 = \underline{12}$

$9 \times 1 = \underline{9}$
