

Football Multiplication

Kick off! Time to take the field and score a touchdown for the home team.

Use your multiplication skills to solve the following problems.

$5 \times 6 = \underline{30}$

$6 \times 3 = \underline{18}$

$2 \times 2 = \underline{4}$

$8 \times 9 = \underline{72}$

$4 \times 5 = \underline{20}$

$5 \times 7 = \underline{35}$

$7 \times 8 = \underline{56}$

$3 \times 4 = \underline{12}$

$6 \times 6 = \underline{36}$

$8 \times 2 = \underline{16}$

$8 \times 8 = \underline{64}$

$6 \times 2 = \underline{12}$
