

# Football Multiplication

#5

Kick off! Time to take the field and score a touchdown for the home team.

Use your multiplication skills to solve the following problems.

$5 \times 7 = \underline{35}$

$8 \times 9 = \underline{72}$

$9 \times 2 = \underline{18}$

$4 \times 7 = \underline{28}$

$4 \times 6 = \underline{24}$

$3 \times 3 = \underline{9}$

$6 \times 7 = \underline{42}$

$2 \times 4 = \underline{8}$

$7 \times 3 = \underline{21}$

$8 \times 2 = \underline{16}$

$9 \times 9 = \underline{81}$

$5 \times 5 = \underline{25}$
