

# What Is an Analogy?

Analogies are a way of describing the similarities between two things by comparing them.

A glove is to a hand as a sock is to a foot.

The Statue of Liberty is to New York City as Big Ben is to London.

Bread is to grains as yogurt is to dairy.

Complete the analogies below by writing the correct word in the blank space.

1. Tropical is to hot as polar is to           cold          .
2. Cattle is to herd as fish are to           school          .
3. Bear is to           cub           as cat is to kitten.
4. Smell is to           nose           as see is to eyes.
5. Cheetah is to mammal as snake is to           reptile          .
6. Television is to movie as radio is to           song          .
7. Baseball is to diamond as hockey is to           rink          .
8. Arrow is to           bow           as pen is to paper.
9. Tuesday is to weekday as Saturday is to           weekend          .
10.           Duck           is to quack as dog is to bark.
