

# Helpful Hyperboles

A hyperbole is an exaggeration in speaking or writing that can be used to be funny or to express strong feelings.

Write a sentence using hyperboles about each subject. The first one has been done for you!

Subject	Hyperbolic Sentence
tall teacher	The teacher was taller than a giraffe.
feeling cold	I was so cold that my fingers turned to icicles.
heavy toy	The toy weighed a ton.
fuzzy sweater	The sweater was fuzzier than a bear.
funny movie	It is the funniest movie of all time.
short hill	The hill was shorter than a playground slide.
fast toy car	The toy car drove at the speed of light.
loud talking	Everyone in the world can hear you talking right now.
