

How to Build a Fort

You know how to build a fort. Write a sentence explaining each step pictured below.

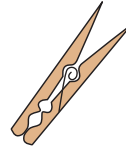

What You Need:

chairs

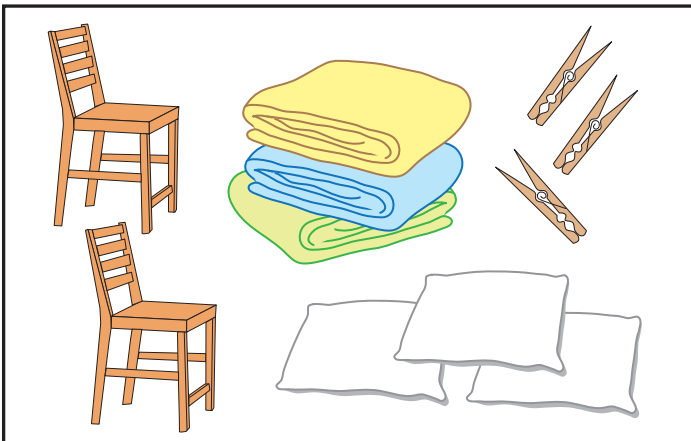

blankets

clothespins

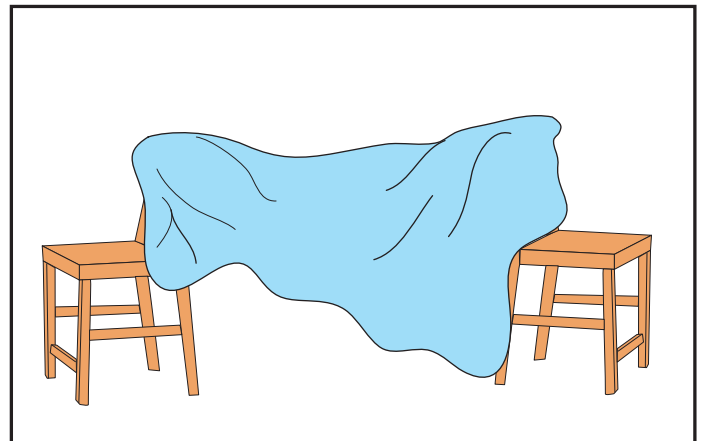

pillows

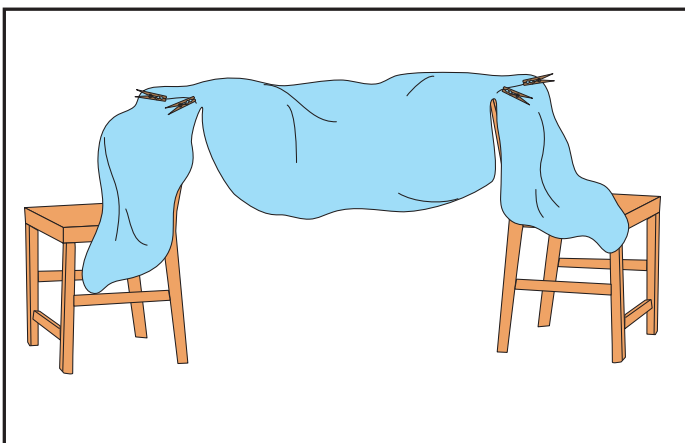

Step 1.

Collect two chairs, blankets, pillows,
and a few clothespins.

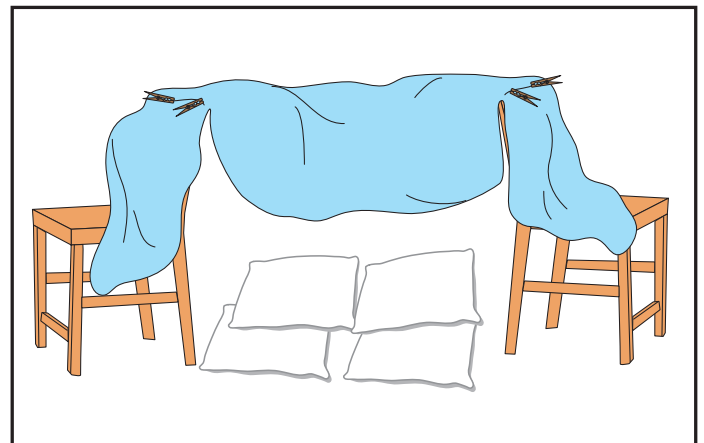

Step 2.

Arrange a few blankets over two
chairs.

Step 3.

Add a few clothespins to the blankets
to create space in between the chairs.

Step 4.

Add 3 or 4 pillows on the floor
between the chairs. Your fort is ready!
