

Name _____

Date _____

Hundreds Chart **Answers**

Use the hundreds chart to identify patterns between numbers.

Directions:

1. Draw a star over the number 32. Now circle the number that is 10 more than 32. Now circle the number that is 10 less than 32. What do you notice?
2. Draw a star over the number 1 on the chart. Now pick any one-digit number. (**Note it here: 3.**) Now add $1 +$. Circle your answer. Keep adding the number you chose, and circle the sums until you run out of room. Do you notice a pattern?
3. Activity: Find a partner. Have your partner select any two-digit number on the chart. Ask them to tell you ONE of the digits that is in that number. Can you find all the possible numbers that your partner could be thinking of?

 1	2	3	 4	5	6	 7	8	9	 10
11	12	 13	14	15	 16	17	18	 19	20
21	 22	23	24	 25	26	27	 28	29	30
 31	 32	33	 34	35	36	 37	38	39	 40
41	 42	 43	44	45	 46	47	48	 49	50
51	 52	53	54	 55	56	57	 58	59	60
 61	62	63	 64	65	66	 67	68	69	 70
71	72	 73	74	75	 76	77	78	 79	80
81	 82	83	84	 85	86	87	 88	89	90
 91	92	93	 94	95	96	 97	98	99	100
