

ANSWERS Information Gap Questioning Cards

Directions: Cut out the cards and distribute one to each student. Model how to use the questions and language stems before assigning partnerships. While in partnerships, have them use this language while looking at their respective Information Gap Card. (Note: this is a separate worksheet.)

Ask and Answer Questions

Questions: (Example questions for Card K in the Info Gap Cards: Line Plots worksheet.)

- What information do you have on your card?
I have a table with three fractions on my card.
- I'm missing the line plot. Do you have that information?
- I have the table with the $\frac{1}{2}$, $\frac{1}{5}$, and $\frac{1}{3}$.
Do you share that information?
- Do you have any other information I haven't asked about?
- How many Xs do you have for $\frac{1}{2}$?
- I need to know what fractions you have in your line plot.

Partner Answer:

- On my card, I have a line plot with three fractions.
The fractions are $\frac{1}{8}$, $\frac{1}{4}$, and $\frac{1}{2}$. I have two $\frac{1}{8}$, three $\frac{1}{4}$, and three $\frac{1}{2}$.
- I do/don't have the fraction $\frac{1}{5}$ in my line plot.
- We do/don't share the fraction $\frac{1}{2}$.
