leans

Tip: → ↓ ← ↙

## Fill In The Blank:

Choose the correct answer from the word list given on the previous activity.

1. The Leaning Tower of Pisa is **cylindrical** in shape and is world famous simply because it **leans**.
2. The Tower's tilt is the result of being built on a **soft** soil bed.
3. An **architect** is a person who designs houses, office buildings, skyscrapers, landscapes and guides in their construction.
4. The Italian city of **Pisa** is home to this well-known bell tower.

### DID YOU KNOW?

The top of the Leaning Tower can be reached by mounting the 294 steps which rise in the form of a spiral on the inner side of the tower walls.
