# LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 1 is pronounced “yī” and is written as 一. Color in both the Hindu-Arabic numeral and Chinese word for one below. Then follow the prompt in the space below to draw one of another type of fruit!

**tip:** practice saying the number out loud as you color it in.

(Students' color choices will vary.)

Draw ONE pineapple. Then count it in Chinese, using the word below.
