LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 2 is pronounced “èr” and is written as 二. Color in both the Hindu-Arabic numeral and Chinese word for two below. Then follow the prompt in the space below to draw two of another type of fruit!

tip: practice saying the number out loud as you color it in.

TWO
DRAGON
FRUITS

(Students' color choices will vary.)

Draw TWO bananas. Then count them in Chinese, using the words below.

(Drawing of two bananas.)

yī èr
