# LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 3 is pronounced “sān” and is written as 三. Color in both the Hindu-Arabic numeral and Chinese word for three below. Then follow the prompt in the space below to draw three of another type of fruit!

**tip:** practice saying the number out loud as you color it in.

THREE  
GUAVAS

(Students' color choices will vary.)

Draw THREE peaches. Then count them in Chinese, using the words below.

(Drawing of three peaches.)
