LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 5 is pronounced “wǔ” and is written as 五. Color in both the Hindu-Arabic numeral and Chinese word for five below. Then follow the prompt in the space below to draw five of another type of fruit!

tip: practice saying the number out loud as you color it in.

Draw FIVE kiwi fruits. Then count them in Chinese, using the words below.

(Drawing of five kiwis.)
