LEARNING CHINESE NUMBERS 1-10

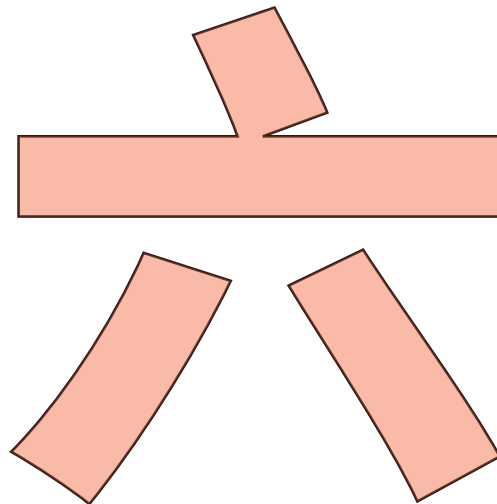

In Chinese, the number 6 is pronounced “liù” and is written as 六. Color in both the Hindu-Arabic numeral and Chinese word for six below. Then follow the prompt in the space below to draw six of something!

tip: practice saying the number out loud as you color it in.

SIX
MANGOES

(Students' color choices will vary.)

Draw SIX lemons. Then count them in Chinese, using the words below.

(Drawing of six lemons.)

yī èr sān sì wǔ liù
