LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 7 is pronounced “qī” and is written as 七. Color in both the Hindu-Arabic numeral and Chinese word for seven below. Then follow the prompt in the space below to draw seven of another type of fruit!

tip: practice saying the number out loud as you color it in.

(Students' color choices will vary.)

Draw SEVEN apples. Then count them in Chinese, using the words below.
