LEARNING CHINESE

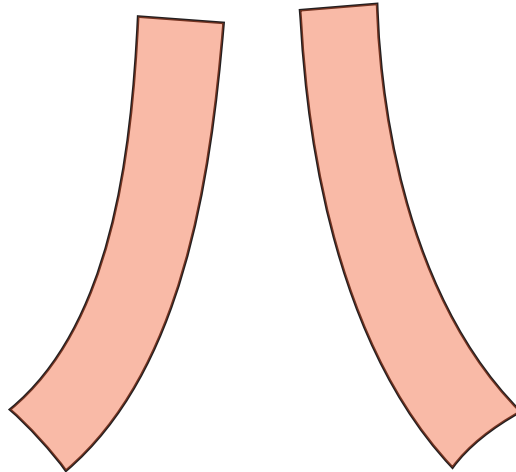

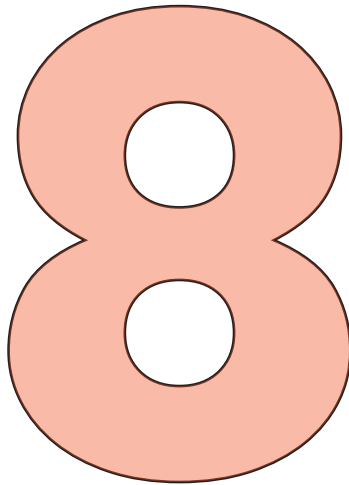

NUMBERS 1-10

In Chinese, the number 8 is pronounced “bā” and is written as 八. Color in both the Hindu-Arabic numeral and Chinese word for eight below. Then follow the prompt in the space below to draw eight of another type of fruit!

tip: practice saying the number out loud as you color it in.

(Students' color choices will vary.)

Draw EIGHT blueberries. Then count them in Chinese, using the words below.
