# LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 9 is pronounced “jiǔ” and is written as 九. Color in both the Hindu-Arabic numeral and Chinese word for nine below. Then follow the prompt in the space below to draw nine of another type of fruit!

**tip:** practice saying the number out loud as you color it in.

(Students' color choices will vary.)

Draw NINE tangerines. Then count them in Chinese, using the words below.
