

Name: _____

Date: _____

Answer Key

LEARNING ABOUT ANALOG CLOCKS

Directions: Use the words in the word bank and the picture to complete the paragraph frame.

This is a picture of an analog clock.

To figure out the time, I look at the hour hand first.

The hour is 10. Next, I use skip counting to

figure out the minutes. The minute hand shows 10.

The time is 10 : 10.
