

# MATH MAZE

Solve the math problems, then find a route along the answers in order from 1 to 10.

The maze consists of 10 circular nodes, each containing a simple math problem and its answer. The nodes are arranged in a complex, interconnected path. A red line starts at the top left and winds through the maze, connecting the nodes in the order of their answers: 1, 2, 3, 4, 5, 6, 7, 8, 9, and finally reaching a large blue circle labeled "Great Job!".

**example**

$$\begin{array}{r} 1+0 \\ \hline 1 \end{array}$$
$$\begin{array}{r} 1+1 \\ \hline 2 \end{array}$$
$$\begin{array}{r} 1+2 \\ \hline 3 \end{array}$$

**1+0**  
1

**4-2**  
2

**3+2**  
5

**2+1**  
3

**3+3**  
6

**6-2**  
4

**10-3**  
7

**5+5**  
10

**3+5**  
8

**7+2**  
9

**Great Job!**
