# Multiplication Practice Part 1: Write the Missing Number 

Test your multiplication skills by writing in the correct number to make the problem true.

$5 \times \underline{11}=55$
$7 \times \underline{3}=21$
$3 \times \underline{9}=27$
$8 \times \underline{7}=56$
$7 \times \underline{0}=0$
$8 \times \underline{3}=24$
$12 \times 6=72$
$6 \times \underline{5}=30$
$6 \times \underline{3}=18$
$9 \times \underline{4}=36$
$4 \times \underline{5}=20$
$9 \times \underline{7}=63$
$10 \times 10=100$

$$
0 \times-30
$$

$$
5 \times \underline{3}=15
$$

$$
4 \times \underline{7}=28
$$

$$
11 \times \underline{11}=121
$$

$$
2 \times \underline{4}=8
$$

$9 \times \quad 6=54$
