

# Nonfiction Text Feature Match

Draw a line connecting the nonfiction text feature with its purpose.

Table of Contents	Helps to define words in the book.
Glossary	Helps to show what something will look like.
Index	Helps the reader to notice important words as they read.
Photos/Diagrams	The title for each section that tells what it will be about.
Special Prints	Lists the sections or chapters and what page they are on at the beginning of a book.
Headings	A list in the back of the book that helps to locate key words throughout the text by specific page number.
