Skip-Count on Number Lines

0 1 2 3 4 5 6 7 8 9 **10** 11 12 13 14 15 16 17 18 19 **20** 21 22 23 24 25 26 27 28 29 **30**

1. Skip-count on the number line to solve the equation 4 x 3.
   What is the product of 4 x 3?

   12

2. Skip-count on the number line to solve the equation 8 x 3.
   What is the product of 8 x 3?

   24

3. Skip-count on the number line to solve the equation 4 x 7.
   What is the product of 4 x 7?

   28

4. Skip-count o the number line to solve the equation 5 x 5.
   What is the product of 5 x 5?

   25

5. Skip-count on the number line to solve the equation 3 x 9.
   What is the product of 3 x 9?

   27

6. Skip-count on the number line to solve the equation 4 x 6.
   What is the product of 4 x 6?

   24

7. Skip-count on the number line to solve the equation 2 x 9.
   What is the product of 2 x 9?

   18
