NUMBER MAZE 3

Can you help this rubber ducky take a bath? Draw a path from the rubber ducky to the bath tub by counting from 1 to 10 and tracing the numbers.

		8	4	6	5
		10	2	3	4
3	1	5	1	8	9
1	2	3	6	7	10
4	6	4	5		
5	2	9	2		

A 5x5 grid maze with a yellow rubber duck at the top-left and a bath tub at the bottom-right. The path from the duck to the tub is marked with red numbers 1 through 10. The path starts at the duck, moves right to '1', down to '2', right to '3', down to '4', right to '5', up to '6', right to '7', up to '8', right to '9', and finally down to the bath tub. The cell containing '10' is shaded grey and is not part of the path.
