Pairing Up Pronouns

Use the word bank below. Find the pronoun that best fits in each sentence. Write it in the space provided. Circle the word in each sentence that matches the corresponding pronoun.

yourself	herself	himself	these	ourselves
those	myself	themselves	itself	this

Example: I gazed at the giraffes at the zoo. Those were the tallest animals I had ever seen!

- Peter did the project for school all by himself.
- I don't think I will need help painting the fence. I will do it all by myself.
- If you think you might hurt your back, don't lift the boxes by yourself!
- Looking at the crayons, I thought to myself, "These will be perfect for school!"
- Mom stared at the mess on the kitchen floor. "Just look at this!" she exclaimed.
- Jessica, Samantha, and I will put together the desk all by ourselves.
- Dad couldn't believe that Sharon cleaned the entire house by herself.
- The group of girls held the car wash themselves instead of recruiting additional helpers.
