1. The cut on my **heel** won't **heal** in time for the hike.
2. My barber made me practically **bald**, and I almost **bawled** when I looked in the mirror.
3. I paid 99 **cents** to buy some candles with assorted **scents** for my mother.
4. I just saw a movie about a pirate who travels many **seas** and tries to **seize** everything he **sees**.

“With hard work and **dedication**, I know we have the power to be the best in the league. Remember that when you feel tired, put mind over matter and you can **persevere**. Don't just hang back waiting for the ball to come to you. You should be **aggressive** in the field! And when the time comes, you will charge into the end zone without **hesitation**. That's how we'll win!”
