

Quotation Marks #1

With Punctuation Pig

Hi! I am Punctuation Pig. Let's learn the different ways to use quotation marks together! Quotation marks are used around the exact words of the speaker.

Here is an example:

"I will huff, and I will puff, and I will blow your house down!" said the wolf.

Now you try! Add quotation marks where they are needed in the sentences below.

1. "What are we having for dinner?" asked Emily.
2. "We are having spaghetti," answered Mom.
3. "Don't forget the meatballs," said Dad.
4. "What are you doing on the weekend?" asked Chris.
5. "My dad is taking me to the zoo!" said Sammy.
6. "How did you do on your English test?" Yannick asked.
7. "I think I did well," Karyn answered. "How about you?"
8. "I got a ten on ten!" said Yannick with a smile.
9. "What game do you want to play at recess?" Franco asked.
10. "Let's play hide-and-seek," said Joey.

Use the lines below to write your own story about a conversation between two friends. Don't forget to use quotation marks!

Student responses will vary.
