

Watermelon Graphic Organizer

Write a Personal Narrative

Personal narratives are true stories that happened in your life. Think about an event in your life as a watermelon and the details as seeds. Take notes about the beginning, middle, and end of your event. Fill the seeds with little moments that happened during the event. Then, use the space on page 2 to write your personal narrative.

The graphic organizer is shaped like a watermelon slice. The central 'Event' section is a large white seed. Surrounding it are five smaller white seeds: 'Beginning' (top left), 'End' (top right), 'Detail #1' (middle left), 'Detail #2' (bottom center), and 'Detail #3' (middle right). Each seed contains handwritten text in red and black ink. The entire graphic is set against a light orange background with a green rind border.
