Point of View: My Family Reunion

1. Who is telling the story?

A character named Nicholas is telling the story.

How do you know?

I know that Nicholas is telling the story because the story uses words like I, me, we, and us. The story also talks about “my sister”, so that must be Vanessa. That leaves Nicholas to be the one who is telling the story.

2. What is Nicholas’s opinion about having a cancelled flight?

Nicholas is heartbroken about the cancelled flight. He is extremely upset because he was really looking forward to this family reunion.

3. How are Nicholas’s and Vanessa’s opinions about the cancelled flight different?

Nicholas is very disappointed about the cancelled flight because he wanted to go on the trip so he could spend time with his cousins. On the other hand, Vanessa is pleased because she did not want to go on the trip since she was missing a party at home.
