Prepositional phrases can help us make powerful sentences that include many details! Most prepositions help the writer tell about a time, place, or direction.

Use each prepositional phrase from the word bank and match it to a corresponding sentence. Write your new sentence with the prepositional phrase on the line below each sentence.

at 3:00	in front of the restaurant	behind the door
in back of our house	until 9:00 p.m.	under the table
