(Answers will vary)

Product:

Mechanical Pencil

Advantages (a positive reason)	Disadvantages (a negative reason)
<p>You don't have to worry about sharpening it. All you do is add a new lead.</p>	<p>If you are out of lead and don't have any more there is no way to use it unless you buy more.</p>
<p>Mechanical pencils are strong and durable.</p>	<p>If you hold the cap down for too long the lead will fall out.</p>
<p>You can reuse a mechanical pencil even after you have used all of the lead.</p>	<p>It can take time to reload a mechanical pencil.</p>

Claim:

Mechanical pencils are efficient and easy to use.
