

Winter Sports:

Practice Reading a Bar Graph

Mrs. Apple's class took a survey about their favorite winter sport. Read the bar graph to learn which winter sports were the most popular. Then, answer the questions below. Show your work.

1. How many people chose snowboarding?
8 people
2. How many more people chose ice skating than sledding?
 $6 - 4 = 2$ (2 people)
3. What's the difference between the number of people who chose ice skating and sledding compared to those who chose skiing?
 $6 + 4 = 10$ and $10 - 9 = 1$ (1 person)
4. How many more people would it take to make ice skating the favorite winter sport?
 $10 - 6 = 4$ (4 people)
5. List the sports in order from most favorite to least favorite.
Skiing, snowboarding, ice skating, sledding
