Herbed Popcorn

6 cups popcorn, popped
2 tbsp. oil
3/4 tsp. basil
1/2 tsp. oregano
2/3 tsp. parsley
1/4 tsp. dill
1/8 tsp. salt
Pepper, sprinkled
Wooden spoon

Tina is having a sleepover. She is making her special popcorn for her friends but she needs a double batch. Can you help Tina double the recipe? Tina's brother would like some herbed popcorn, too. Can you calculate three-quarters of the recipe for her brother?

Multiply each ingredient's amount by 2 and 3/4.
