Foodie Fractions #6 Answers

Green Mashed Potatoes

3 potatoes
1/4 cup milk
2 tbsp. butter
1/8 tsp. garlic powder
1 tbsp. stock
2 tbsp. cream cheese
3/4 cup vegetables
Salt and pepper, to taste
Green food coloring

Patrick's family is celebrating their Irish heritage. His mom is making green mashed potatoes for a side dish. She needs to triple the recipe. Can you help her? Patrick wants his mom to make some mashed potatoes for his best friend. She is going to make two-thirds of the recipe. Can you calculate how much that will be?

Multiply each ingredient's amount by 3 and 2/3.

Measurement	x	3	2/3	Ingredient
3		9	2	potatoes
1/4		3/4 cup	1/6 cup	milk
2		6 tbsp.	4/3 tbsp.	butter
1/8		3/8 tsp.	1/12 tsp.	garlic powder
1		3 tbsp.	2/3 tbsp.	stock
2		6 tbsp.	4/3 tbsp.	cream cheese
3/4		9/4 cup	1/2 cup	vegetables
